LaTeX, Libre Office Suite, Microsoft Office Suite

Soft skills

- Excellent organizational and communication skills
- · Ability to work collaboratively with people at all professional levels
- · Thoroughness, with rigorous attention to both detail and quality

PROJECTS

Bioinformatics

- · Determining protein N-glycosylation with machine learning methods
- · Modification and analysis of UPGMA algorithm while using different metrics

Computer Science

- Finding Waldo using various Machine Learning methods
- Image modification and correction with Python
- Determining integer variable ranges using Abstract Interpretation in C++ (LLVM, Clang)
- AVL trees in C programming language
